Amanda Holden swapped her dramatic *Britain's Got Talent* wardrobe for light summer prints last night as she attended the launch of her friend's new fitness centre.

Showing off her never-ending pins in the process (that's what happens when you have gym bunnies for friends, right?), Amanda stepped out in a little shorts and top two-piece.

Pink ruffles and coordinated prints ensured she looked super girly as she teamed with nude accessories.

What do you think? Would you wear Amanda's white shorts?
